Record, Mr. Clerk.

CLERK: 28 ayes, 0 nays, Mr. President, on adoption of the amendment.

SENATOR BEUTLER: The amendment is adopted. Are there further motions or amendments?

CLERK: I have nothing further on the bill, Mr. President.

SENATOR BEUTLER: Senator Warner, do you wish to move the advancement of the bill?

SENATOR WARNER: Mr. President, I would move LB 629 be advanced but also this will be also added to the list to be bracketed on E & R Engrossment. You recall LB 629 carries appropriation for a number of things contingent upon what the Legislature does. It obviously should remain there until those other pieces of legislation are resolved in whatever way they are going to be resolved. But, the vehicle is necessary depending, or may be necessary depending upon what the Legislature does. I move the bill be advanced but bracketed so it is not printed and save that expense knowing that it will no doubt be adjusted in some fashion.

SENATOR BEUTLER: The motion is the advancement of LB 629 to E & R Engrossing. All those in favor vote aye, opposed nay. Anybody else that wishes to vote? Record the vote.

CLERK: 27 ayes, 0 nays, on a motion to advance the bill, Mr. President.

SENATOR BEUTLER: The bill advances. Senator Higgins, did you wish to address the Chair?
